Introduction

Bibliography 2009 is a publication of the **UNICRI Documentation Centre**.

The United Nations Interregional Crime and Justice Research Institute – UNICRI – was established in 1968 to assist intergovernmental, governmental and non-governmental organizations in formulating and implementing improved policies in the field of crime prevention and criminal justice.

The Documentation Centre supports the Institute and experts worldwide in the development and implementation of technical interventions; applied research; and field and training activities.

Its main activities include the collection, analysis and dissemination of legislative, statistical and bibliographic documents that form the library holdings. **The library holds more than 18,000 monographs, 1,250 journals and yearbooks, tens of thousands of documents** by the UN and other organizations and institutions, multimedia material, and grey literature on crime prevention and criminal justice issues.

The Documentation Centre offers **online access to all its services**, such as the library catalogue, the criminological Thesaurus, specialized databases and personalized library services that are available on the Internet at the UNICRI website www.unicri.it/wwk/wwk.php. The Centre assists visitors *in-loco* and offers assistance to long-distance users. The UNICRI Ask-a-Librarian service is also available by emailing documentation@unicri.it.

Bibliography 2009 includes a selection of publications that were acquired by the UNICRI Library during the year 2009. It is divided into three main categories: *Crime and Crime Prevention* and *Criminal Justice* – reflecting the two broad areas covered by the Institute – and *Miscellaneous*, which in turn are divided into subcategories. For each publication, bibliographical reference is given to title, author, publisher, place and year of publication, and library catalogue number. The bibliography is followed by two indexes, divided by author and title respectively.

Any suggestions or contributions may be addressed to the Head, UNICRI Documentation Centre, Viale Maestri del Lavoro, 10 – 10127 Turin – ITALY.
